Re: Michael J. Belleau v. Kevin C. Greene
Case No. 12-C-1198

Dear Judge Griesbach:

I represent defendant Kevin C. Greene in the above-referenced civil action. Mr. Greene has filed a motion to dismiss the action together with a brief and an affidavit in support of the motion (Documents 17-20). Plaintiff Michael J. Belleau has filed his response to the motion (Document 21). I write to inform you that Mr. Greene will not file any reply in support of his motion for summary judgment. This is because Mr. Greene believes that nothing raised in Mr. Belleau's response to the motion requires a reply.
